**Tata Motors Reminder on NYSE Delisting, Deposit Agreement Termination and SEC Deregistration**

**Mumbai, June 26, 2023:** In accordance with the prior press releases, dated November 9, 2022 and dated January 23, 2023 by Tata Motors Limited (“TML”, “Tata Motors” or the “Company”), the Company would like to remind the holders of the American Depositary Shares of the Company, each representing five (5) Ordinary Shares of the Company (the “ADSs”), that the ADSs were delisted from the New York Stock Exchange (“NYSE”) effective close of trading on the NYSE on January 23, 2023.

The Company will continue to be subject to reporting obligations under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) until termination and/or suspension of the Company’s reporting obligations to the SEC under the Exchange Act. As a consequence of the delisting becoming effective, the amended and restated deposit agreement, dated as of September 27, 2004 and as amended as of December 16, 2009, by and among the Company, Citibank, N.A. (the “Depositary”), and all holders and beneficial owners of ADSs (the “Deposit Agreement”), under which the ADSs were issued has also been terminated effective close of trading on the NYSE on January 23, 2023 (“Termination Date of the Deposit Agreement”). After the ADSs were delisted from the NYSE, there has been no over-the-counter (OTC) market trading of the ADSs in the United States of America due to regulatory restrictions under Indian law.

At any time prior to the expiration of six (6) months from the Termination Date of the Deposit Agreement, each ADS holder is entitled to surrender their respective ADSs for cancellation and to obtain the delivery of the Ordinary Shares relative to each ADS surrendered, upon payment by the ADS holder of any sums payable to the Depositary pursuant to the terms and conditions of the Deposit Agreement. ADS holders will also need to have a DR-Type Demat account in India for receiving the underlying Ordinary Shares on surrender of the ADSs. Neither the Company nor the Depositary has an obligation to provide assistance in establishing such DR-Type Demat account.

Cancellation of ADSs, upon conversion into Ordinary Shares will not attract any tax in India as per the Income Tax Act in India. However, capital gains realized on the subsequent transfer of Ordinary Shares (received on surrender of the ADSs), whether in India or outside India to a non-resident of India or Indian resident, will be liable for short-term or long-term capital gains tax under the provisions of the Indian Income Tax Act, 1961. ADS holders should consult their respective tax advisors for application of any Indian taxes and foreign tax credit rules to any Indian or foreign taxes that the ADS holders are subject to in respect of a sale or disposal of the Ordinary Shares including evaluation of any tax treaty benefits.
